

**Your Giving Makes A Difference...
More Than You Can Imagine!**

"Shares of Ministry" Transforming the World

What if your church had access to a sophisticated ministry tool that could:

help you know the community around your church?

describe your neighbors' religious preferences, concerns, household income, ethnicity and life style?

What if you could define any area around your church and discover mission and ministry opportunities? And,

what if that resource was available at no charge to your church through your faithful support of "Shares of Ministry" ?

You do! It's one of several ministry tools provided through our Annual Conference Connectional Ministries.

When you give to your local church, a small portion of your gift is combined with the gifts of others and then is sent on to add to the gifts of other churches through our "Shares of Ministry." Together, we in the Susquehanna Conference UMC, provide our churches with helpful ministry tools like:
