

VOLUNTEERS IN MISSION

Better Together

Together We Make A Difference Through Ministry Shares

UNITED METHODIST VOLUNTEERS IN MISSION
Christian Love in Action!

Your Shares of Ministry help to resource, our members and local churches connecting them with short term mission opportunities.

We are also able to provide ongoing programs, scholarships for first time team members, and education related to serving in mission on the local, national, and international fronts.

Because you were faithful in your ministry giving ... in the last year:

- 2300 team members and roughly 360 experiencing mission for the first time
- 30 new team leaders were trained
- Over 115 short-term mission opportunities were offered
- worshipers engaged in mission across the conference increased over 10% last year
