

The Bishop's **PARTNERS IN MISSION**

A Gift Has Been Given in Your Honor

I'm paying forward a blessing to those in need, in gratitude for the blessings you have given me.

This gift will save lives from malaria and will help pay off Mission Central's debt. By supporting the United Methodist church's extraordinary Imagine No Malaria initiative and enabling Mission Central to free up more resources for supporting churches in mission work and disaster relief, we demonstrate in tangible ways the good news of God's love for hurting humanity.
